1 **I. INTRODUCTION**

2 This action has been assigned to the calendar of United States District Judge
3 Fernando L. Aenlle-Rocha. Both the court and counsel bear responsibility for the
4 progress of this action. To “secure the just, speedy, and inexpensive determination”
5 of the action, Fed. R. Civ. P. 1, all parties or their counsel, including *pro se*
6 litigants,¹ are ordered to be familiar with the Federal Rules of Civil Procedure, the
7 Local Rules of the Central District of California (“Local Rules”), and this court’s
8 standing orders, online procedures, and schedules.

9 Unless the court orders otherwise, the following rules shall apply.

10 **A. Service of the Complaint**

11 Plaintiff shall promptly serve the complaint in accordance with Fed. R. Civ.
12 P. 4 and file the proofs of service pursuant to Local Rule 5-3.1. Any defendant not
13 timely served under Fed. R. Civ. P. 4(m), including “Doe” or fictitiously named
14 defendants, shall be dismissed from the action.

15 **B. Removed Actions**

16 All documents filed in state court, including documents appended to the
17 complaint, answers, and motions, must be re-filed in this court as a supplement to
18 the notice of removal. *See* 28 U.S.C. § 1447(a) and (b). Any pending motions must
19 be re-noticed in accordance with Local Rule 7. Counsel shall file with his or her
20 first appearance a Notice of Interested Parties in accordance with Local Rule 7.1-1.

21 If an action removed to this court contains a state court Judicial Council form
22 pleading (*i.e.*, a pleading in which a party selects claims or defenses by checking
23 boxes), the party that filed the form pleading must file a revised pleading that
24 complies with Fed. R. Civ. P. 7, 7.1, 8, 9, 10 and 11, within thirty (30) days of
25 receipt of the Notice of Removal.

26

27 ¹ Parties appearing *pro se* must comply with the Federal Rules of Civil Procedure
28 and the Local Rules. *See* Local Rules 1-3 and 83-2.2.3.

1 **C. Assignment to a United States Magistrate Judge**

2 Under 28 U.S.C. § 636, the parties may consent to have a Magistrate Judge
3 preside over all proceedings, including trial. The Magistrate Judges who accept
4 those designations are identified on the Central District Court's website, which also
5 contains the consent form.

6 **D. Calendar Conflicts**

7 If any counsel discovers a calendar conflict with a scheduled appearance in a
8 court of a more senior district judge, counsel must inform opposing counsel and the
9 Courtroom Deputy Clerk via chambers email address at
10 twyla_freeman@cacd.uscourts.gov as soon as possible and not later than three (3)
11 business days before the scheduled appearance. Counsel should attempt to agree on
12 a new date to accommodate the calendar conflict. Counsel must propose a new date
13 by Stipulation and [Proposed] Order.

14 **II. DISCOVERY**

15 **A. Discovery Matters Referred to United States Magistrate Judge**

16 All discovery matters are hereby referred to the assigned Magistrate Judge,
17 who will hear all discovery disputes. The Magistrate Judge's initials follow the
18 district judge's initials next to the action number. All discovery-related documents
19 must include the words "DISCOVERY MATTER" in the caption to ensure proper
20 routing. Counsel are directed to contact the Magistrate Judge's Courtroom Deputy
21 Clerk to schedule matters for hearing and must follow the Magistrate Judge's
22 procedures for scheduling matters for hearing. These procedures are stated on each
23 Magistrate Judge's webpage.

24 In accordance with 28 U.S.C. § 636(b)(1)(A), the Magistrate Judge's decision
25 shall be final, and this court will not reverse any order of the Magistrate Judge
26 unless it has been shown that the Magistrate Judge's order is clearly erroneous or
27 contrary to law. Any party may file and serve a motion for review and
28 reconsideration before this court. *See Local Rule 72-2.* The moving party must file

1 and serve the motion within fourteen (14) days of service of a written ruling or
2 within fourteen (14) days of an oral ruling the Magistrate Judge states will not be
3 followed by a written ruling. The motion must specify which portions of the ruling
4 are clearly erroneous or contrary to law and support the contention with points and
5 authorities. Counsel shall deliver a conformed copy of the moving papers and
6 responses to the Magistrate Judge's Courtroom Deputy Clerk at the time of filing.

7 **B. Compliance with Fed. R. Civ. P. 26(a)**

8 Unless there is a likelihood that, upon motion by a party, the court would
9 order that discovery be stayed, the parties should begin to propound discovery
10 before the Scheduling Conference. The parties must comply fully with the letter
11 and spirit of Fed. R. Civ. P. 26(a) and produce discovery promptly. At the
12 Scheduling Conference, the court will impose deadlines governing the completion
13 of discovery.

14 **III. MOTIONS – GENERAL REQUIREMENTS**

15 **A. Time for Filing and Hearing Motions**

16 Motions shall be filed in accordance with Local Rules 6 and 7. The court
17 hears motions in civil actions on Fridays, beginning at 1:30 p.m. It is not necessary
18 to clear a hearing date with the Courtroom Deputy Clerk before filing a motion,
19 except for motions for summary judgment, temporary restraining orders, or
20 preliminary injunctions. The parties must adhere to the briefing schedule set forth
21 in Local Rules 7-9 and 7-10, and the schedule herein for Fed. R. Civ. P. 56 motions,
22 to afford the court adequate time to prepare for the hearing. If the motion hearing
23 date selected is not available, the court will issue an order continuing the hearing.
24 Professional courtesy dictates, and the court fully expects, the parties will
25 accommodate each other's schedules, including vacations and holidays, whenever
26 possible. The parties should not calendar a matter on a Friday that is a court
27 holiday. If this occurs, the court will re-calendar the matter for another Friday.

28 ///

1 **B. Pre-Filing Requirement to Meet and Confer**

2 Counsel must comply with Local Rule 7-3, which requires counsel to engage
3 in a pre-filing conference “to discuss thoroughly ... the substance of the
4 contemplated motion and any potential resolution.” Counsel shall discuss the issues
5 to a sufficient degree that if a motion is still necessary, the briefing may be directed
6 to those substantive issues requiring resolution by the court. Counsel shall resolve
7 minor procedural or other non-substantive matters during the conference. The *pro*
8 *se* status of one or more parties does not negate this requirement. The Notice of
9 Motion must include a statement of compliance with Local Rule 7-3. The court
10 may strike or deny a motion if counsel fail to meet and confer in good faith.

11 **C. Length and Format of Motion Papers**

12 Memoranda of points and authorities shall not exceed 7,000 words. *See*
13 Local Rule 11-6.1. A handwritten brief or a brief prepared using a typewriter may
14 not exceed 25 pages, excluding the caption (if on a separate cover page), the table
15 of contents, the table of authorities, the signature block, and any indices and
16 exhibits. All submitted briefs must be accompanied by a Certificate of Compliance
17 as set forth in Local Rule 11-6.2. Replies shall not exceed 4,200 words or fifteen
18 (15) pages for handwritten briefs and briefs prepared using a typewriter. Only in
19 rare instances and for good cause shown will the court grant an application to
20 extend these word or page limitations. No supplemental brief shall be filed without
21 prior leave of court.

22 Pursuant to Local Rule 11-3.1.1, either a proportionally spaced or
23 monospaced face may be used. Typeface shall comply with Local Rule 11-3.1.1.
24 Times New Roman font must be no less than fourteen (14) point, and Courier font
25 must be no less than twelve (12) point. Footnotes shall be in the same font and the
26 same size as the body of the memorandum.

27 Counsel shall adhere to Local Rule 5-4.3 with respect to the conversion of all
28 documents to .pdf so that when a document is e-filed, it is in the proper size, is

1 searchable, and the text can be selected and copied. *See* Local Rule 5-4.3.1.

2 **D. Citations to Case Law**

3 Bluebook style is required. Citations to case law must identify not only the
4 case cited, but the specific page referenced. For example, if a quotation is
5 presented, the associated page citation shall be provided. Similarly, if a case is
6 cited in support of a proposition based on language in the opinion, the page on
7 which such language appears shall be provided.

8 **E. Citations to Other Sources**

9 Bluebook style is required. Statutory references must identify with
10 specificity the sections and subsections referenced. Citations to treatises, manuals,
11 and other materials should include the volume, section, and pages being referenced.
12 Citations to prior filings in the same action shall include the docket entry number,
13 section, and pages referenced.

14 **F. Oral Argument**

15 If the court deems a matter appropriate for decision without oral argument,
16 the court will take the matter under submission and notify the parties before the
17 hearing.

18 The parties' lead counsel are encouraged to permit junior or less experienced
19 litigators to participate in court proceedings, including to argue motions and to
20 examine witnesses at trial. The court is more likely to hear oral argument if a party
21 notes in its moving or opposing papers, in bold and underlined font, that a litigator
22 who graduated from law school within the last five (5) years, or otherwise has had
23 minimal oral advocacy experience, will conduct the argument.

24 **IV. SPECIFIC MOTION REQUIREMENTS**

25 **A. Motions Pursuant to Fed. R. Civ. P. 12**

26 Many motions to dismiss or strike can be avoided if the parties confer in
27 good faith as required by Local Rule 7-3, especially for perceived defects in a
28 complaint, answer, or counterclaim that can be corrected by amendment. *See*

1 *Chang v. Chen*, 80 F.3d 1293, 1296 (9th Cir. 1996) (where a motion to dismiss is
2 granted, a district court should grant leave to amend unless it is clear the complaint
3 cannot be saved by amendment). Moreover, a party has the right to amend the
4 complaint “once as a matter of course within: (A) 21 days after serving it, or (B) if
5 the pleading is one to which a responsive pleading is required, 21 days after service
6 of a responsive pleading or 21 days after service of a motion under Rule 12(b), (e),
7 or (f), whichever is earlier.” Fed. R. Civ. P. 15(a)(1). Even after a complaint has
8 been amended or a responsive pleading has been served, leave to amend shall be
9 “freely give[n]... when justice so requires.” Fed. R. Civ. P. 15(a)(2). Indeed, the
10 Ninth Circuit requires the policy favoring amendment to be applied with “extreme
11 liberality.” *Morongo Band of Mission Indians v. Rose*, 893 F.2d 1074, 1079 (9th
12 Cir. 1990).

13 Thus, parties should carefully consider and weigh an opponent’s contentions
14 as to the deficiencies in a pleading. In most instances, the parties should agree to
15 any amendment that would cure the defect.

16 **B. Motions to Amend**

17 In addition to the requirements of Local Rule 15-1, all motions to amend
18 pleadings shall include “clean” and “redlined” versions of the proposed amended
19 pleading, identifying all additions and deletions of material, as attachments to the
20 moving papers.

21 **C. Motions for Class Certification**

22 Notwithstanding Local Rule 23-3, the deadline for the filing of a motion for
23 class certification will be set pursuant to the parties’ stipulation during the
24 Scheduling Conference or in a Scheduling Order. No request for relief from Local
25 Rule 23-3 is necessary.

26 **D. Summary Judgment Motions**

27 No party may file more than one motion pursuant to Fed. R. Civ. P. 56
28 regardless of whether such motion is denominated a motion for summary judgment

or summary adjudication, without leave of court. The parties shall not attempt to evade the word or page limitations for briefs by filing multiple motions. If a party believes good cause exists for more than one summary judgment motion or to increase word or page limits, the party shall seek leave by noticed motion setting forth a detailed showing of good cause. Failure to do so will result in the striking of the motion(s). Pursuant to Fed. R. Civ. P. 56(f), when appropriate, based on undisputed facts and controlling principles of law, the court may *sua sponte* enter summary judgment in favor of the non-moving party.

Also, the court will not entertain cross-motions that seek to adjudicate the same legal issues. If parties wish to cross-move for summary judgment, their counsel shall meet and confer to determine which party will move and which will oppose the one motion for summary judgment. In actions involving multiple sets of parties represented by separate counsel (such as a case involving two sets of defendants which are each represented by their own counsel), the parties shall meet and confer regarding the briefing schedule for the one motion for summary judgment. Any requests for additional motions, pages, or words based on the existence of multiple sets of parties must be supported by a showing of good cause. All non-compliant motions will be stricken absent leave of court.

Parties need not wait until the motion cutoff date to bring motions for summary judgment or partial summary judgment. The hearing on any such motion shall be set for a date in advance of the Final Pretrial Conference. This court requires an extended briefing schedule for motions under Rule 56, as follows:

- Any Rule 56 Motion must be filed at least thirty-five (35) days before the noticed hearing date.
 - Any Opposition must be filed at least twenty-one (21) days before the noticed hearing date (fourteen (14) days after the Motion is filed).
 - Any Reply must be filed at least fourteen (14) days before the noticed hearing date (seven (7) days after the opposition is filed).

1 This briefing schedule is the default. The parties may stipulate to a modified
2 schedule that is reasonable for all parties and provides the court at least two weeks
3 between the reply deadline and the hearing date.

4 The parties should prepare papers in a fashion that will assist the court in
5 processing and analyzing the facts, including through the use of tables of contents,
6 headings, indices, bookmarks in electronic documents, and pinpoint citations. The
7 parties shall comply with Local Rules 56-1 through 56-2, considering the court's
8 additional requirements described below.

9 **1. Statements of Uncontroverted Facts and Genuine Disputes**

10 The Separate Statement of Uncontroverted Facts required under Local Rule
11 56-1 shall be prepared in a two-column table, as shown below. The left-hand
12 column sets forth the allegedly undisputed fact. The right-hand column sets forth
13 the evidence that supports the factual statement. The factual statements should be
14 set forth in sequentially numbered paragraphs. Each paragraph should contain a
15 narrowly focused statement of fact. Each numbered paragraph should address a
16 single subject as concisely as possible. *See* Local Rule 56-2.

17 **Plaintiff's Claim for ____ is Barred by the Applicable Statute of Limitations.**

18 Undisputed Fact	19 Evidence
20 1. Mike and Jane signed a contract for the sale and purchase of property.	Smith Decl. (Dkt. No. 61-2) ¶ 5, Ex. 6.
21 2. Jane mailed the contract in May 2017.	Smith Decl. ¶ 8, Ex. 21.

22 The opposing party's Statement of Genuine Disputes of Material Fact must
23 be in two columns and track the movant's separate statement exactly as prepared.
24 The left-hand column must restate the allegedly undisputed fact and the right-hand
25 column must state either that it is undisputed or disputed. *See* Local Rule 56-3.
26 The opposing party may dispute all or only a portion of the statement, but if
27 disputing only a portion, it must clearly indicate what part is being disputed,

1 followed by a brief citation to the opposing party's evidence controverting the fact.
2 To demonstrate that a fact is disputed, the opposing party must briefly state why it
3 disputes the moving party's asserted fact, cite to the relevant exhibit or other
4 evidence, and describe the reason(s) the exhibit or evidence refutes the asserted
5 fact. No legal argument should be set forth in this document. Disputes based on
6 evidentiary objections should cite the relevant objection from the separate statement
7 of evidentiary objections.

Undisputed Fact and Evidence	Disputed/Undisputed and Evidence
10 1. Mike and Jane signed a contract for 11 the sale and purchase of property. Smith Decl. (Dkt. No. 61-2) ¶ 5, Ex. 6.	12 Disputed. Jane testified that the contract was for a lease, not a purchase. Jane Depo (Smith Decl. Ex. 4) at 29:4-16.
13 2. Jane mailed the contract in May 14 2017. Smith Decl. ¶ 8, Ex. 21.	15 Disputed as to date. Jane testified she mailed the contract in June 2017. Jane Depo. at 3:4-10.

16 The opposing party may submit additional material facts that bear on or relate
17 to the issues raised by the movant, which shall follow the format described above
18 for the moving party's separate statement. These additional facts shall continue in
19 sequentially numbered paragraphs and shall set forth in the right-hand column the
20 evidence that supports that statement.

21 With its Reply, the moving party shall file a Response to the Statement of
22 Genuine Disputes of Material Fact and Additional Material Facts. *See Local Rule*
23 56-4. For each fact, the Response shall restate the allegedly undisputed fact and
24 state whether the fact is disputed or undisputed by the opposing party. If the fact is
25 undisputed, no further response is required.

26 If the fact is disputed, the Response shall restate the opposing party's
27 evidence and reason for disputing the asserted fact. The moving party may provide
28 a response to the opposing party's reason for dispute, including any reason why the

1 evidence cited by the opposing party does not create a genuine dispute and/or any
2 additional evidence relevant to the asserted fact. This response may either be
3 presented in three columns, with the response appearing in the right-hand column,
4 or in two columns, with a response provided below each fact. *See Local Rule 56-3.*

5 The Response may also include any response to additional material facts
6 asserted by the non-moving party, and this response shall follow the format
7 described above for the Statement of Genuine Disputes of Material Fact. The
8 response to these additional facts shall continue in sequentially numbered
9 paragraphs, and shall not restart the numbering.

10 All facts asserted by either party, whether disputed or undisputed, and all
11 supporting evidence cited, shall be included in the Response. Do not repeat
12 descriptions of and citations to the evidence. If you have already described and
13 cited the evidence once, simply refer to the earlier citation succinctly (*e.g.*, “*See*
14 *supra*, Fact # 1”).

15 **2. Supporting Evidence**

16 No party shall submit evidence other than the specific items of evidence or
17 testimony necessary to support or controvert a proposed statement of undisputed
18 fact. For example, entire deposition transcripts, entire sets of interrogatory
19 responses, and documents that do not specifically support or controvert material in
20 the separate statement shall not be submitted in opposition to a motion for summary
21 judgment. Evidence submitted in support of or in opposition to a motion should be
22 submitted either by way of stipulation or as exhibits to declarations sufficient to
23 authenticate the proffered evidence, and should not be attached to the memorandum
24 of points and authorities. Documentary evidence for which there is no stipulation
25 regarding foundation must be accompanied by the testimony, either by declaration
26 or properly authenticated deposition transcript, of a witness who can establish
27 authenticity.

28 / / /

1 **3. Objections to Evidence**

2 If a party disputes a fact based in whole or in part on an evidentiary
3 objection, the ground for the objection should be stated succinctly in a separate
4 statement of evidentiary objections in a two-column format. The left column
5 should identify the evidence objected to (*i.e.*, the evidentiary objections must be
6 directed to evidence, not purported facts), including page and line number if
7 applicable, and the right column should set forth a concise objection (*e.g.*, hearsay,
8 lack of foundation, *etc.*) with a citation to the Federal Rules of Evidence or, where
9 applicable, a case citation. A proposed order shall be filed and attached to the
10 evidentiary objections as a separate document consistent with Local Rule 52-4.1
11 and emailed in Word format directly to the court's chambers email address at
12 fla_chambers@cacd.uscourts.gov.

13 The court treats motions to admit or exclude evidence, including expert
14 testimony and/or reports, as motions *in limine* subject to the requirements set forth
15 in the court's Scheduling and Trial Order. Challenges to expert testimony and/or
16 reports should be brought as motions *in limine*. Failure to comply with the court's
17 orders may result in the striking of a motion.

18 **E. Motion for Attorney's Fees**

19 Motions for attorney's fees shall be e-filed and set for hearing according to
20 Local Rule 6-1 and this Order. Any motion or request for attorney's fees shall
21 attach two summaries, in table form, of the hours worked by and billing rate of each
22 attorney with title (*i.e.*, partner, counsel, associate, *etc.*).

23 The first table shall include a summary of the hours worked by each attorney,
24 organized by task (*i.e.*, discovery, motion to dismiss, motion for summary
25 judgment). If the hourly rate charged by any individual attorney changed while the
26 action was ongoing, the party shall provide separate calculations for the total
27 number of hours the attorney spent in connection with each task at each hourly rate.

28 ///

1 The second table shall include a summary of the hours worked by each
2 attorney, organized by attorney. This table shall list all the tasks on which the
3 attorney worked, the hours worked on each task, and the hourly rate of each
4 attorney.

5 All tables shall be attached to the motion and electronically filed. The
6 courtesy copy of the table shall be emailed to the court's chambers email address at
7 fla_chambers@cacd.uscourts.gov as a Microsoft Excel file with all restrictions
8 removed so the spreadsheet can be edited.

9 **V. ADDITIONAL REQUIREMENTS**

10 **A. Proposed Orders**

11 Each party filing or opposing a motion or seeking the determination of any
12 matter shall serve and electronically lodge a proposed order setting forth the relief
13 or action sought and a brief statement of the rationale for the decision with
14 appropriate citations. In addition, a copy of the proposed order in Word format
15 shall be emailed directly to the court's chambers email address at
16 fla_chambers@cacd.uscourts.gov on the day the document is e-filed.

17 The parties **must** use the template for proposed orders available on Judge
18 Aenlle-Rocha's website. The proposed order must include the entire relief the
19 parties seek. Failure to email a proposed order in Word format using the court's
20 template may result in the court striking the motion, application, or stipulation
21 without consideration of the request on its merits.

22 **B. Chambers Courtesy Copies**

23 The processing of unnecessary chambers copies wastes resources and
24 burdens the court. Chambers copies should not be submitted unless requested. This
25 order, however, is not intended to affect the parties' ability to file and lodge
26 documents and materials that are exempt from electronic filing under Local Rule 5-
27 4.2.

28 ///

1 The court refers the parties to the Scheduling and Trial Order for details
2 regarding mandatory chambers copies for pretrial documents and trial exhibits.

3 **C. Proposed Protective Orders**

4 Proposed protective orders pertaining to discovery must be submitted to the
5 assigned Magistrate Judge. Protective orders must not purport to allow any matters
6 to be filed under seal in connection with dispositive motions (including a class
7 certification motion) or trial without a court order. The existence of a protective
8 order alone does not authorize the filing of pleadings or other documents under seal
9 in whole or in part.

10 **D. Filing Under Seal**

11 Local Rule 79-5 governs applications to file documents under seal. Local
12 Rule 79-5.2.2 explains how to apply to file under seal and how to proceed if leave
13 is granted. Parties must comply with all provisions of Local Rule 79-5.

14 There is a strong presumption of access in civil actions. *Foltz v. State Farm*
15 *Mut. Auto. Ins. Co.*, 331 F.3d 1122, 1135 (9th Cir. 2003). For each document or
16 other type of information a party seeks to file under seal, the party must identify
17 and discuss the factual and/or legal justification that establishes “good cause” or
18 “compelling reasons” for the information to be protected. *Kamakana v. City and*
19 *County of Honolulu*, 447 F.3d 1172, 1179-80 (9th Cir. 2006).

20 Documents that are not confidential or privileged in their entirety should not
21 be filed under seal if the confidential portions can be redacted and filed separately
22 with a reasonable amount of effort. The parties should file a complete version of
23 the documents under seal and a redacted version for public viewing, omitting only
24 the portions that the court has authorized to be filed under seal.

25 Sealing must be justified for each individual item: blanket claims of
26 confidentiality will result in the application to seal being denied. Counsel is
27 strongly encouraged to consider carefully whether sealing or redaction is absolutely
28 required for a given piece of evidence or argument. An application to seal that

1 includes meritless requests to seal or redact documents will be denied. The parties
2 also must meet and confer before filing an application to seal.

3 **E. Appearance at Hearings**

4 The court requires in-person attendance for all hearings and trials, unless
5 otherwise instructed by the court. The court may permit appearances by telephone
6 or video conference for status conferences upon a showing that a personal
7 appearance will cause undue hardship. If you wish to appear by telephone or video
8 conference, you must:

- 9 1. email the Courtroom Deputy Clerk and copy opposing counsel at least
10 three (3) court days in advance of the scheduled appearance and
11 provide a detailed statement of undue hardship;
- 12 2. use a landline to call into the bridge line provided by the Courtroom
13 Deputy Clerk or use a hardline internet connection to connect to the
14 Zoom link for the court; and
- 15 3. be available and ready to call in for at least fifteen (15) minutes before
16 the time of the scheduled hearing.

17 **F. *Ex Parte* Applications**

18 The court considers *ex parte* applications on the papers and does not usually
19 set these matters for hearing. The parties will be notified if the court deems a
20 hearing necessary. *Ex parte* applications are solely for extraordinary relief and
21 should be used with discretion. Sanctions may be imposed for misuse of *ex parte*
22 applications. *See Mission Power Eng'g Co. v. Cont'l Cas. Co.*, 883 F. Supp. 488
23 (C.D. Cal. 1995).

24 *Ex parte* applications that fail to conform to Local Rules 7-19 and 7-19.1,
25 including a statement of opposing counsel's position, will not be considered except
26 upon a specific showing of good cause. The moving party shall serve the opposing
27 party electronically, if possible. All parties registered for electronic service are sent
28 a notification of ECF filing each time a document is e-filed with a link to the

1 document for one free view. Accordingly, parties registered for electronic service
2 are considered served once an *ex parte* application has been e-filed. Parties
3 enrolled for service by facsimile or mail must be served the *ex parte* application by
4 facsimile or personal service.

5 Following service of the *ex parte* application by electronic, facsimile, or
6 personal service, the moving party shall notify the opposing party that any
7 opposition must be filed no later than twenty-four (24) hours following service.
8 Counsel will be notified by the clerk of the court's ruling. If counsel does not
9 intend to oppose an *ex parte* application, counsel must inform the Courtroom
10 Deputy Clerk at (213) 894-5686.

11 **G. Injunctions and Restraining Orders**

12 Parties seeking preliminary or emergency injunctive relief must comply with
13 Fed. R. Civ. P. 65 and Local Rule 65. Applications for a Temporary Restraining
14 Order ("TRO") are governed by Local Rule 7-19, which applies to *ex parte*
15 applications. Thus, oppositions to an Application for a TRO must be filed within
16 twenty-four (24) hours following service of the Application. The court will not rule
17 on any Application for a TRO for at least twenty-four (24) hours after the party
18 subject to the requested order has been served, unless notice is excused as per Fed.
19 R. Civ. P. 65(b), or the interests of justice so require.

20 **H. Continuances**

21 The court has a strong interest in keeping scheduled dates certain. Changes
22 in dates are disfavored. Trial dates set by the court are firm and will not readily be
23 changed. Therefore, a request to continue or extend the date of any matter before
24 this court must be supported by a sufficient factual basis that demonstrates good
25 cause why the change in the date is essential. Without such compelling factual
26 support and a showing of due diligence, requests continuing dates will not be
27 approved. Counsel requesting a continuance or extension of time must file
28 electronically a request or, if the parties are in agreement, a stipulation which

1 includes a detailed declaration of the grounds for the requested continuance or
2 extension of time. A proposed order in Word format must be emailed directly to
3 the court's chambers email address at fla_chambers@cacd.uscourts.gov on the day
4 the document is e-filed. The proposed order must include the entire relief the
5 parties seek.

6 Failure to comply with the Local Rules and this Order will result in rejection
7 of the request without further notice to the parties. Requests extending scheduling
8 dates do not become effective unless and until this court so orders. Counsel shall
9 avoid submitting requests for continuance or extension of time less than five (5)
10 business days prior to the expiration of the scheduled date. A request to continue or
11 extend dates or deadlines that have already expired constitutes a presumptive lack
12 of due diligence.

13 I. Communications with Chambers

14 Counsel must not attempt to contact the court or chambers staff by email,
15 telephone, or *ex parte* means. For appropriate matters only, counsel may contact
16 the Courtroom Deputy Clerk via chambers email address at
17 twyla_freeman@cacd.uscourts.gov, or by telephone at (213) 894-5686. Counsel
18 must not contact the Courtroom Deputy Clerk regarding the status of any matter
19 before the court. Counsel must include on all papers his or her email address,
20 telephone number, and facsimile number to facilitate communication with the
21 Courtroom Deputy Clerk.

22 J. Order Setting Scheduling Conference

23 Pursuant to Fed. R. Civ. P. 16(b), the court will issue an order setting a
24 scheduling conference as required by Fed. R. Civ. P. 26 and the Local Rules of this
25 court. Strict compliance with Fed. R. Civ. P. 16 and 26 is required.

26 K. Settlement Conference / Alternative Dispute Resolution (“ADR”)

27 As stated in Local Rule 16-15, the parties in every action must participate in
28 a Settlement Conference or Alternative Dispute Resolution (“ADR”) procedure.

1 The court will not hold a final pretrial conference or convene a trial unless and until
2 all parties, including the principals of all corporate parties, have completed ADR.

3 This court participates in the court's directed ADR Program whereby the court
4 refers the parties to the Magistrate Judge, the court Mediation Panel, or private
5 mediation. *See General Order 11-10, § 5.1.* If a Notice to Parties of Court-Directed
6 ADR Program (ADR-08) has been filed in this action, counsel must furnish and
7 discuss it with their clients in preparation for the Fed. R. Civ. P. 26(f) conference.
8 Counsel should state their preferred ADR procedure in their Joint Rule 26(f)
9 Report. The court will refer the action to a procedure at the initial scheduling
10 conference or in a Scheduling and Trial Order. More information about the court's
11 ADR Program, the Mediation Panel, and mediator profiles is available on the
12 court's website at <https://www.cacd.uscourts.gov/attorneys/adr>.
